Amsterdam Brachy College

Makes your future happen

TOGETHER IT IS POSSIBLE

The Amsterdam Brachy College provides a general introduction to Brachytherapy. Brachytherapy plays an important role in the multidisciplinary approach of the treatment of cancer.

Are you a resident or junior staff member within Radiation Oncology and interested in what Brachytherapy has to offer? Then don't hesitate and register for this small group interactive 2-day course in Amsterdam!

Please visit www.brachyacademy.com for more information.
For registration please send an email to amsterdambrachycollege@amc.nl

Supported by Amsterdam UMC & BrachyAcademy
